

WHO CAN BENEFIT?

A loved one in the hospital

A loved one who needs additional support after completing rehab

A loved one recuperating after surgery

A loved one who is no longer safe at home

CUSTOMER TESTIMONIALS

“ Caregiver burnout is a difficult problem. Caregivers need help - SilverStay addresses an unmet need.”

James Chamberlain, MD., Maryland
Primary Care Physicians

“ SilverStay's services were incredible, and their kindness unforgettable. I will always think of SilverStay as rescuing my mom.”

Mari L.

Assisted living communities provide personal care support services like meals, medication management, bathing, dressing, and transportation in a comfortable, home-like environment. The guest pays for the stay, as these accommodations are not typically covered by health insurance plans such as Medicare.
